General Information for Visitors

U.S. citizens do not require a passport to enter Canada. However, it would be helpful to carry some proof of U.S. citizenship, such as a birth certificate or voter's registration card.

FOR YOUR PROTECTION

Motor vehicle liability insurance cards are no longer required by non-residents, but drivers involved in accidents where any person is killed or injured, or where property damage exceeds $100.00, should be able to produce evidence of financial responsibility. All accidents, however minor, must be reported to the police.

TOURISTS' AUTOMOBILES

The entry of automobiles and trailers into Canada for touring purposes is generally a quick, routine matter without payment of any duty or fee. Motor Vehicle Registration forms must be carried and if the vehicle is leased from a U-drive company, a copy of the rental contract is required.
Your driver's license, whether from any state of the U.S.A. or from other countries, is valid while vacationing in Canada for a period not exceeding three months.

TRAILERS IN ALBERTA

No license is required for a non-resident trailer.
Maximum Size Permitted:

Overall length (car and trailer)	65 ft.
Overall width	10 ft.
Overall height (ground up)	13½ ft.

Check with National Parks for their requirements.

CAR RENTALS

Numerous car rental companies operate in Alberta. Services are available at Edmonton, Calgary, Lethbridge, Medicine Hat, Red Deer, Grande Prairie, Peace River, Banff and Jasper.

GASOLINE — ICE — PROPANE

Supplies of gasoline, ice and propane are available in all Alberta cities and most towns.
United States motorists are reminded that the Imperial gallon measure sold in Canada is one-fifth larger than the U.S. gallon; as a result, fewer gallons are needed to fill fuel tanks.

AIRCRAFT

Detailed information on Air Regulations, Navigation Orders, Radio Aids and relevant material is available on request to the Civil Aviation Branch, Dept. of Transport, Ottawa, Canada; and from the Alberta Aviation Council, 201 Terminal Building, Industrial Airport, Edmonton, Alberta. Customs airports are located at Calgary, Edmonton, Lethbridge and Medicine Hat. A 24-hour service is available at a small, unlighted airstrip at Coutts.

ARTICLES PURCHASED IN CANADA

United States residents returning from Canada may take back, once every 31 days, merchandise for personal or household use to the value of $100 duty and tax free, provided they have remained in Canada at least 48 hours.
Members of a family household travelling together may combine their personal exemptions.

CANADIAN MONEY

Canadian currency is now on the free market and its value in terms of U.S. dollars may fluctuate from day to day. Americans should buy Canadian currency from their bankers in the United States or Bank Drafts payable in Canadian funds.
THERE IS NO PROVINCIAL SALES TAX IN ALBERTA.

Tours and Side Trips

A booklet outlining self-conducted automobile tours throughout the province may be obtained by writing to the Alberta Government Travel Bureau, 1629 Centennial Building, Edmonton 15, Alberta.

Forestry Trunk Road System

Constructed primarily as a means to provide forest protection, this road links the town of Coleman in the Crowsnest Pass area with Highway 34, east of Grande Prairie. For the tourist, the 640 mile gravelled route features excellent scenery, and good facilities for camping, hunting and fishing. Road closures occur when the forest fire hazard is extreme; otherwise, only the occasional detour may be met. Service stations are located at Highwood River Crossing, Nordegg, Robb, Entrance, Hinton and Muskeg River.

National Parks in Alberta

BANFF NATIONAL PARK,
ELK ISLAND NATIONAL PARK, JASPER NATIONAL PARK,
WATERTON LAKES NATIONAL PARK,
*WOOD BUFFALO NATIONAL PARK.

*Not developed for tourists; no accommodation.

Information may be obtained on the above by writing to the INFORMATION BUREAU at Banff, Elk Island, Jasper or Waterton Park.

Information on the National Parks in Alberta is also available through the Alberta Government Travel Bureau, 1629 Centennial Building, Edmonton 15, Alberta.

BANFF-JASPER HIGHWAY (ICEFIELD HIGHWAY) — The highway is now open all year with controlled traffic in the winter season.

Provincial Parks

A list of Provincial Parks and their facilities will be found in the Alberta Approved Accommodation Guide, available through the Alberta Government Travel Bureau, 1629 Centennial Building, Edmonton 15, Alberta.

The Far North

ALASKA HIGHWAY

No special permit is needed for travel over the Alaska Highway. Detailed information about the highway, accommodation, roadside service, etc., is published in a special booklet which may be obtained from the Canadian Travel Bureau, Ottawa, or from the Alberta Government Travel Bureau, 1629 Centennial Building, Edmonton 15, Alberta.

MACKENZIE HIGHWAY

The Mackenzie Highway extends from Grimshaw, 16 miles west of Peace River, to Yellowknife, on the north shore of Great Slave Lake, in the Northwest Territories. The highway is gravelled throughout and is kept open all year.

Points of Interest

1. The Frank Slide (N5) — Huge limestone boulders strewn across the floor of the Crowsnest Pass mark the site of the catastrophic slide at Frank, Alberta, on April 29, 1903, when a portion of Turtle Mountain, 1300 feet high, four miles wide and 500 feet deep, toppled on the edge of the townsite.

2. Fort Macleod Museum (N6) — This stylized version of the first North West Mounted Police outpost in Western Canada incorporates the Fort Macleod Museum building, in which artifacts of early police equipment and pioneer home furnishings are displayed.

3. Mormon Temple (O6) — The temple of the Church of Jesus Christ of Latter Day Saints, at Cardston, was built between 1913 and 1921 at a cost of about $1,000,000.

4. St. Mary Dam (O6) — Built at a cost of $7,000,000 and completed in 1951, this 189 foot high structure located southwest of Lethbridge is one of the largest earth filled dams in Canada. The colossal dam provides water to irrigate 410,000 acres of land in southern Alberta and holds 289,000 acre feet of water in a man-made lake 11 miles long.

5. Indian Battle Park (N6) — Located in Lethbridge, this park was the site of the last great Indian battle of 1870. The park is highlighted by a replica of Fort Whoop-Up, an operating mine railway and a historic marker cairn.

6. Nikka Yuko Gardens (N6) — Situated at Lethbridge, this is the largest inland Japanese style garden of its type in North America.

7. Inverted Aqueduct Siphon (M7) — Constructed between 1911 and 1914 at a cost of $700,000, the two mile long Brooks aqueduct, which serves 58,000 acres of irrigated land, features a unique inverted siphon to carry the water under the tracks of the C.P.R. main line.

8. The Badlands (L6) — More than 300 square miles of the Red Deer River Valley form the Badlands, a treasure trove of petrified remains of early animal and vegetable life. Due to rapid soil erosion in the valley, peculiar landforms of fantastic shape such as "hoodoos" are naturally formed and tower to a height of 120 feet.

9. Fort Rocky Mountain House Chimneys (K5) — The fort was built in 1799 and was the first of several constructed in the immediate district. This structure was the headquarters for geographer and explorer David Thompson.

10. Alberta Game Farm (I6) — This 1,000 acre farm, located east of Edmonton, houses animals and birds from all over the world in addition to many native to Canada.

11. Ukrainian Museum (I6) — This unique museum displaying the national costumes, handicrafts and other features of the Ukrainian culture, is located at Mundare, near a grotto maintained by the Basilian Fathers.

12. Brazeau Dam (J4) — Located on the Brazeau River, 95 miles southwest of Edmonton, this structure is a good example of power development and downstream water pollution control.

13. St. Albert Cathedral (I6) — Enclosed within a protective building is the original log cathedral built in 1861 by Father Lacombe, pioneer western Canadian priest.

14. Grave of Twelve Foot Davis (F3) — H. F. Davis gained international fame under the nickname of "Twelve Foot", when during the Cariboo gold rush, he noticed that two gold claims at Barkerville seemed to exceed the limit by twelve feet, which he promptly staked. The 12-foot claim yielded more than $15,000 in gold. The monumental grave is located near Peace River.

15. St. Charles Mission (F2) — About 50 miles north of Grande Prairie at Dunvegan stands the first permanent Roman Catholic mission church in the vast Peace River district, built during the years 1883-1885.

16. McDougall Memorial (L5) — This restored church at Morley, some 50 miles west of Calgary, commemorates the work of the Reverends George and John McDougall, Methodist missionaries among the Indians.

17. Reynolds' Pioneer Museum (J6) — Located at Wetaskiwin, this museum contains the most complete display of pioneer cars, tractors and farm machinery in North America. Open daily.

18. Medicine Hat Historical and Museum Foundation (N8) — This building is located near the Travel Bureau, southwest of the junction of the Trans-Canada Highway with Highway #3.

19. Happy Valley (L5) — This playground for the entire family, located five miles west of Calgary, accommodates summer and winter sports and provides facilities for various recreational activities.

20. CALGARY

F. Horsemen's Hall of Fame — The history of the famous horsemen of the Early West is vividly depicted in the Calgary Horsemen's Hall of Fame, on the second floor of the Aquarium Building in Calgary. Open daily.

B. The Aquarium — Located on the premises of the Calgary Brewing and Malting Company, the aquarium comprises an outstanding collection of fresh and salt water fish, various forms of marine life, snakes, and reptiles. Open daily.

Z. The Calgary Zoo — On St. George's Island — features not only a wide range of live animals, but also a unique display of life-size dinosaurs and other prehistoric reptiles. Provision for picnicking and camping is available.

M. Glenbow Foundation and Alberta Government Museum — An excellent project developed through cooperation between the Provincial Government and private enterprise at 530 - 7th Avenue, S.W.

E. Heritage Park — Located on the east side of the Glenmore Reservoir, the park features a recreated, late 19th century village and includes actual buildings and equipment of the early West.

A. Southern Alberta Jubilee Auditorium — One of two identical auditoria, built to commemorate Alberta's Golden Jubilee in 1955, is situated in Calgary. This $4.5 million building seats 2,750 people. Open for visitors.

T. Centennial Planetarium — The city's Centennial project, located in Mewata Park. This fine planetarium features a vivid projection of the mysteries of the Universe.

21. EDMONTON

L. Alberta Legislative Building — Located on the site of old Fort Edmonton and overlooking the North Saskatchewan River. Construction initially started in 1907 and the building officially opened in 1912. Open to visitors daily.

Z. Storyland Valley — This five acre children's zoo depicts fairy tales and nursery rhymes using over-size plastic models. Displayed are species of animals and birds from many parts of the world. Opened in 1959, the zoo is circled by the Edmonton Little Western Railroad, which takes passengers on a quarter mile tour.

T. Queen Elizabeth Planetarium — Canada's first public planetarium. A varied year-round program is provided for visitors.

A. Northern Alberta Jubilee Auditorium — One of two identical auditoria, built to commemorate Alberta's Golden Jubilee in 1955, is situated in Edmonton. This $4.5 million building seats 2,750 people. Open for visitors.

F. Fort Edmonton Park — 144 St. and 66 Ave. — Fort Edmonton Park features a reproduction of an 1830 fur trading post. It has been constructed with the use of authentic tools and methods of the early nineteenth century.

M. The Provincial Museum and Archives — Considered to be one of Canada's outstanding museums, where heritage is portrayed through artifacts, historic documents and specimens. Also, modern exhibits on pioneers, Indians, fur traders and wild life.

E. Historical Exhibits Building — Located at 101 St. and 112 Ave., this public museum and archives depicts the history of Edmonton.

W. John Walter Historic Site — Situated on the site of Edmonton's early river ferry crossing, near the 105th Street Bridge, stand the original homes of John Walter, an early Edmonton settler.
